

Help us Stuff The Bus!

It's that time of year--back to school!

It's an exciting time, but it can also be expensive. You can help struggling families where you live get necessary supplies by helping us Stuff the Bus on August 3rd at a Walmart near you. Helping is simple. As you shop for your student's back-to-school supplies, toss in a few extras for a child in need this year. After you check out, give your extra supplies to the school represented at your store.

No worries, Everyone will enjoy our **70th Birthday Party on November 9.** This is a carnival for adults with dancing, a magic show, a Bottle Toss, and some of your favorite midway foods. Why United Ways Must Advocate

United Way has always given voice to the voiceless. We are the hand raisers and the game changers. We are not the flow goers. We foster social justice, which means speaking up against injustice. We advocate.

As the new chair of the Missouri Association of United Ways (MOAUW), our Executive Director received funding to attend the United Way Worldwide advocacy conference in Washington DC. [Read Elizabeth's blog about the conference and meetings with our elected officials here.](#)

Partners Noodling for Volunteers

July 24th was our last UWSEMO WINSday of the season (awww). We are incredibly grateful to the Cape Catfish for hosting us once again and for our amazing partners who hit it out of the park every year!

This season was a GRAND SLAM thanks to everyone who attended the games and stopped at one of our partner tables to say hello, learn how our network impacts the community, and sign up for volunteer opportunities. When you step up to bat with us, you help everyone in our community get on base.
