

PARTY WITH THE CATFISH & HELP YOUR COMMUNITY!

This year we are excited to offer an exclusive opportunity to engage your customers and employees while supporting United Way and the Cape Catfish. Your business or organization can sponsor one of our United Way WINSdays for just \$350. In return, you receive:

- **25 tickets** that you can share with clients, employees, or United Way partners supporting youth or seniors who might see their first Catfish game, thanks to your business. Hear first-hand how your donations are impacting lives.
- **Designated covered seating** for your group.
- **Recognition as Official United Way WINSday Game Sponsor** announced during games, which average more than 1,000 fans in attendance.
- **Cred-building Exposure & Publicity** in social media with over 350,000 impressions last year from the Catfish, the number one social media presence among the 18 teams in the league.
- **Exclusive Photo Opp with Captain Catfish** to highlight your organization as a key community partner.
- **Support for a Great Cause:** The \$350 sponsorship will be directly donated to the United Way of SEMO, helping support our commitment to improving the lives of everyone in Southeast Missouri!
